

300 Years of History in 3 Days  
Group Tour Itinerary  
3 days/2 nights

Welcome to Oak Ridge, TN where history is alive. Established in 1942, The Secret City was created under the code name "Manhattan Project" to help end World War II. Surrounding areas tell stories dating back 300 years. Whether you want to visit an old maximum security prison, learn about the coal creek mining disaster, or travel back to 1956 with the Clinton 12 - there is a piece of history for everyone.

This 3 day itinerary is best for group sizes of 25-300. Welcome bags, name badges, and other complimentary items provided. Government hotel rate provided at the Holiday Inn Express and Staybridge Suites.
